## What makes us different?

Over 30 years of experience, exceptional resort knowledge, excellent value and a truly tailor made first class service are just a few reasons why so many clients choose repeatedly to use SKI TRAVEL SPECIALISTS. Only our experience helps us understand that every client is different so we ensure you get the best value from your holiday. Like you, we love skiing & boarding so we want to share our experiences and knowledge with you.

Each season we spend considerable time researching destinations around the world to discover the newest hotels and the latest resort developments. We make sure all our staff get firsthand experience skiing and boarding overseas every year so they can make sure you choose the best resort for your needs and get the best value from your ski holiday.

In fact our Director takes her job very seriously, dedicating 4 weeks every January to update her knowledge on ski resorts and accommodation options. These are just some of the resorts we have visited and skied over the years.

# BRITISH COLUMBIA WHISTLER

Whistler is consistently voted North America's number 1 ski resort. It offers not just one but two world class Ski Mountains and acres of diverse and varied terrain to suit all standards of skiers and boarders. Based around a pedestrian only village with world class shopping and a fantastic choice of restaurants and après ski entertainment, Whistler is the ultimate ski experience. The skiing is vast and varied, divided between Whistler and Blackcomb mountains, with a state of the art lift system to take you to the summit where a vertical descent of more than one mile awaits. With over 7,000 acres of skiable terrain, Whistler Blackcomb ensures every level and age group has the experience of a lifetime. You'll discover long groomed trails, "back country" tracks, glaciers, powder bowls, secluded glades and heli-skiing. The Mountain frequently stays open until June. Whistler Blackcomb Ski and Snowboard School is among the finest in the world. No matter what age or what ability, you can improve your skills and have fun doing it.

Whistler houses more than 5,000 rooms from luxurious hotels and suites to family owned condominiums. Most of the condominium suites and the 5 star hotels are located in Whistler Village or at the base of the Mountains.

Swimming pools, fitness facilities, saunas, Jacuzzis, restaurants and bars are just a few of the amenities provided.

**SENSATIONAL SHOPPING:** There are more than 200 shops within Whistler, including art galleries, gift shops, sporting equipment, accessories, apparel and rental stores plus a great selection of well-known North American retail chain favourites.

**ACTIVITIES GALORE:** If you are looking for activities to do other than skiing then you are well catered for with snowmobiling, snowshoeing, zip trekking, dogsledding and of course plenty of retail therapy.

**FAMILY AFFAIRS:** A variety of supervised programs, fun activities, outdoor and indoor sports are available throughout the winter for tots, teens and those in between, making Whistler the perfect family getaway.

# BRITISH COLUMBIA SUN PEAKS RESORT

Nestled in the Monashee Mountains of the Thompson Okanagan Region in beautiful British Columbia's interior, Sun Peaks Resort is rapidly becoming the year-round destination of choice for outdoor enthusiasts. Sun Peaks three mountains soar nearly 3000 vertical feet above the ski-in, ski-out village. Long cruising runs cascade from the high open alpine into a valley of snow covered trees. Sun Peaks has over 3,678 skiable acres making it the 2nd largest skiable terrain in British Columbia and the 3rd largest in Canada. Each chairlift gives you access to blue, green and black diamond runs, so friends and families can all go up the chair together then spilt up and choose a trail to suit their ability level. Most trails lead right into the village so it's easy to connect with your friends and family after a run.

Canada's own Nancy Greene, Olympic Champion and Female Athlete of the 20th Century, calls Sun Peaks home and skis with guests most Saturdays and Sundays at 1pm on her complimentary mountain tours. Complimentary mountain tours with the Sun Guides are also available at 9.15am and 1.00pm daily at the foot of the Sunburst Chairlift.

This is a very family friendly resort with kids activities such as the Tube Park, ice skating and a sports centre with kiddies pool. The slope side Sundance Playschool offers services for children 18 months to 5 years.

The activities offered in this picturesque European styled alpine resort are as diverse as the guests. Explore miles of trails by foot, cross-country ski, snowshoe, snowmobile or dog sled. Or simply sit back, relax and rejuvenate in one of the many fine restaurants or spa, or engage in shopping therapy through the network of village shops. Sun Peaks offers something for everyone. The Annual Ice Wine festival is held in Sun Peaks Resort every January and is a "must do" event to attend if you happen to be staying in Sun Peaks during the Festival. This is a unique event, celebrating the marriage of elegant mountain life with diverse, award winning BC Okanagan wine matched with chefs creations using local, organic ingredients. Reservations are essential.

Possibly the most beautiful place you'll ever ski. Banff / Lake Louise offers nature at its finest with an unparalleled variety of skiing in the heart of the Canadian Rockies. Metres of fresh snow cover the Canadian Rockies each winter, resulting in a six month alpine ski season that stretches from November to May. Big impressive mountains, metres of dry light powder snow, and gravity – when winter comes to Banff National Park, these are guaranteed. The skiing and snowboarding in Banff, Lake Louise and Sunshine just gets better and better, with new runs and faster lifts, cosy lodges and increasingly innovative terrain parks. With hundreds of kilometres of marked trails, from beginner to expert, spread over three world-class ski resorts, the truly dedicated could take an entire winter to entirely explore the vast terrain.

Elk stroll the snowy streets of Banff as casually as skiers and snowboarders. Great restaurants, shops, bustling night life, museums, cultural activities and fabulous health spa facilities complement your winter vacation.

At Lake Louise, spectacular scenery awaits with uniquely beautiful terrain that is both vast and varied. The wilderness is pristine and inspirational. Located in the heart of majestic, historic Banff National Park, Lake Louise is truly legendary and offers world class terrain. With 4200 skiable acres, Lake Louise is one of the largest ski areas in North America. The unique layout allows families and groups of varying abilities to ski together as there are beginner, intermediate and expert runs down from every chair. Beginners and intermediate skiers have access to an abundance of gentle slopes and long cruising runs. Experts can explore endless chutes, glades, gullies and remote bowls in some of the Rockies' most challenging terrain.

Sunshine Village is renowned for its lengthy season from mid-November until late May. Just 15 minutes from the resort town of Banff, Sunshine Village offers over 3,300 acres of terrain on three mountains, with an average annual snowfall of over 30 feet! The free Ski Banff | Lake Louise | Sunshine tri area pass and shuttle system is your passport to incredibly varied, hassle free skiing and boarding.

# BRITISH COLUMBIA SILVER STAR MOUNTAIN RESORT

It's all natural here. Uncrowded slopes and natural terrain. You'll find what you are looking for, regardless of your ability. Do your skiing or riding across 3,000 acres from groomed cruisers to the Putnam Creek steeps and into the Silver Woods glades. Silver Star averages more than 700 cm of snow annually (23 feet) so this ensures there is plenty of fresh powder and groomed runs for you every day. Get ready for 2,500 vertical feet and over 2,700 acres of varied terrain. The South facing Vance Creek area features gentle slopes and expertly groomed cruisers, serviced by the Comet Express six pack chairlift. Once you have warmed up, try Putnam Creek, renowned for its deep powder, challenging black and double black diamond terrain and winch groomed slopes.

Enjoy cross-country skiing? Well, members of numerous national teams, including Canada and USA will tell you Silver Star's 105km of Nordic trails are among their favourites.

You can easily fall in love with Silver Star's fairytale village. Inspired by a typical nineteenth century British Columbian mining town with Victorian architecture, this town is a true winter wonderland. Brightly coloured shop fronts and boarded sidewalks provide a unique ambiance that radiates fun, enthusiasm and excitement for the whole family.

Guests are attracted to the warmth and safety of the town where service and friendliness are as honoured as the values of a time gone by. It's the size of your smile that counts at Silver Star. There are more than 3,300 beds on-mountain, mostly ski-in, ski-out hotels, condos and some unique Victorian-style vacation homes.

Silver Star's colourful Victorian-style village is complemented by a selection of restaurants, bars, cafes, winter activities and weekly events. The National Altitude Training Centre features a theatre, indoor rock climbing wall, fitness centre and sports medicine facilities. Family activities and après ski choices are endless and the unique Star Kids program and day care for ages 18 months and up are first rate.
